Dear Chairs and Committee Members:

As required by Utah Code Section 63C-4a-303, the Commission on Federalism respectfully submits the following report to the Legislative Management Committee and the Government Operations Interim Committee.

Since our last report, the Commission on Federalism continues to develop the curriculum on federalism, as required by Section 63C-4a-303. The commission signed a contract with Utah Valley University to host a conference on federalism, from which the University will develop an online seminar that will be available to the public and which fulfills the requirements of Section 63C-4a-306. The online seminar is nearing completion.

If you have any questions, please contact Jerry Howe or Nathan Brady at (801) 538-1032.

Sincerely,

A handwritten signature in blue ink, appearing to read "A. Christensen".
